My only recommendation for the Lake Tahoe Customer Outing would be Bob Page or Phil Baseil of Quick Chek Food Stores.

I believe that Jim Piscitelli will handle Amerada Hess Corporation People.

George & Nick,

For advance planning, I will be turning in a list of customers to invite to our Lake Tahoe outing next summer. Give it some thought ..... this is an extremely good trip for customers. Do you or your Account Managers have customers (and their spouces) that are important enough to us and would enjoy a 5 day event of this nature.
